We would advise the trustees of the Lone Star district, which will give them an immunity until the danger of contracting diphtheria is past.

In the face of the fact that the number of cases of this disease has been increasing in the valley for the last year, we would advise all to have their children who have not already had the disease injected. This will have the effect of driving the disease from our midst,

AN INJUNCTION

Capt. E. A. Cutter, of Bonita appeared before Judge Rouse last fonday at Tucson and asked for an order enjoining the Board of Supervisors and Tax Collector in the club. the matter of collecting tax from the Hampson Cattle Company, which was granted.

It appears that the Board of Equalization raised the valuation of the property returned to the assessor last spring, and the paying of the tax on the raise is what they are kicking about.

The company offered to pay the refused to accept. The companysays the raise was illegal and refuse to pay the additional amount. The order was issued temporarily. When it was granted the Collector was directed to issue a receipt for about \$2,000, which is acknowledged to be legal, thus leaving the excess to be the subject of litigation. The condition of the writ of injunction rrflects to thee redit of Judge Rouse, as the custom in other counties has been to grant injunctions preventing the collection by the Treasurer of any portion of the tax, thus keeping the county THERE is a movement under out of the tax for many months and sometimes for years, without requiring the payment of that por-tion acknowledged to be due and

> The District Attorney will file an answer in the case at once and every effort will be made to compel the payment of the tax in full.
